Remuneration policy

In accordance with UK regulatory requirements the directors' remuneration policy is being presented to shareholders for approval, resolution 24, having last been approved in 2014. Following a thorough review of the policy by the DLC remuneration committee, some changes to the policy are proposed although the underlying remuneration philosophy has not changed. Details of the key changes are given in the explanatory notes to this Notice on page 6.

Change of auditor

Following a competitive tender process and the subsequent resignation of Deloitte LLP (see appendix 2 to this Notice), your board, on the recommendation of the DLC audit committee, appointed PricewaterhouseCoopers to fill a casual vacancy. Accordingly, we now seek shareholder approval under resolution 16 to appoint PricewaterhouseCoopers Inc as auditor of Mondi Limited and under resolution 27 to appoint PricewaterhouseCoopers LLP as auditor of Mondi plc.

Final dividend

Shareholders are being asked to give their consent for Mondi Limited and Mondi plc to pay final dividends of 522.70920 rand cents per ordinary share and 38.19 euro cents per ordinary share, respectively. Explanation of resolutions

Resolutions 1 to 8 – re-election of directors

Tanya Fratto has been appointed by the Boards as an independent non-executive director since the Annual General Meeting in 2016. She therefore retires from office at this year's Annual General Meeting in accordance with the Memorandum of Incorporation of Mondi Limited and the Articles of Association of Mondi plc and has agreed to offer herself for election.

Tanya is recommended by the Boards for election as she brings wide experience in product innovation, sales and marketing and engineering in a range of sectors. Tanya's extensive knowledge of operating in the US will also benefit Mondi as we continue to grow our interests in line with our strategy.

In accordance with governance best practice the Boards have decided that all other directors will stand for re-election in 2017. The DLC nominations committee reviewed and recommended to the Boards the re-election of each of the directors. The committee has considered the collective skills, experience and independence of each of the non-executive directors. The committee and Boards confirm that there continues to be an appropriate balance of skills and knowledge and that all non-executive directors are independent in character and judgement. The 2016 board evaluation confirmed that each of the directors make an effective and valuable contribution to the Boards and demonstrate commitment to their respective roles, including as they relate to committees, and are therefore recommended for re-election.

Full biographical details of each director are set out in the Mondi Group Integrated report and financial statements 2016 on pages 78 and 79 and in appendix 1 to this Notice.

Resolutions 9 to 11 – election of DLC audit committee members

South African company law requires that, at each Annual General Meeting, the shareholders elect the members of an audit committee. The three members proposed, each an independent non-executive director of both Mondi Limited and Mondi plc, are Tanya Fratto, Stephen Harris and John Nicholas. The DLC nominations committee reviewed the suitability and qualifications of each director as members of the DLC audit committee and considers that each of Tanya Fratto, Stephen Harris and John Nicholas has adequate relevant financial knowledge and experience to fulfil their duties as members of the DLC audit committee. In addition, they each have competence relevant to the sector in which Mondi operates having commercial expertise gained from industries with similar capital intensive manufacturing, engineering and technology-focused international operations.

Full biographical details of each director are set out in the Mondi Group Integrated report and financial statements 2016 on page 79 and in appendix 1 to this Notice.

Resolutions 12 and 23 – 2016 Integrated report and financial statements

The directors of Mondi Limited and Mondi plc are required by company law to present the audited financial statements, together with the reports of the DLC audit committee, the directors and the auditors for the financial year ended 31 December 2016 of the respective company to the meeting.

Enclosed with this Notice of Annual General Meeting is a copy of the Mondi Group Integrated report and financial statements 2016 containing the audited combined and consolidated financial information of Mondi Limited and Mondi plc for the year ended 31 December 2016.

Explanation of resolutions

Resolutions 13, 24 and 25 – directors' remuneration

Regulation in South Africa and the UK requires that the directors present a report on their remuneration during the period under review. The report for the year ended 31 December 2016 is set out on pages 109 to 129 of the Mondi Group Integrated report and financial statements 2016.

Shareholders are being asked to approve the directors' remuneration report which is set out on pages 118 to 129 of the Mondi Group Integrated report and financial statements 2016, resolution 25, except for the directors' remuneration policy which is to be approved under resolution 13 for Mondi Limited and resolution 24 for Mondi plc. The directors' remuneration policy is set out on pages 111 to 117 of the Mondi Group Integrated report and financial statements 2016. The Mondi plc policy resolution is the triennial binding vote.

Following a thorough review of the policy by the DLC remuneration committee, some changes to the policy are proposed although the underlying remuneration philosophy has not changed. With the Group's strong growth over the period since listing in 2007 the proposed changes reflect that Mondi is now significantly larger and is positioned close to the median market capitalisation of the FTSE100. Operations have been expanded and a number of strategic acquisitions have been made, increasing the scale, complexity and profitability of the business, and delivering one of the highest levels of return on capital in its sector. The key policy changes are:

- i. an increase in the variable pay maximum levels from 150% to 175% of base salary for the Bonus Share Plan and from 200% to 225% of base salary for the Long-Term Incentive Plan (LTIP). These capacities will however be used prudently with the 2017 bonus and LTIP grant levels being set below the proposed new maximums;
- ii. the introduction of a two-year post-vesting holding requirement such that any LTIP awards that are made in 2017 and subsequently will include this requirement. In addition, the two-year holding period will continue to apply even if an executive director leaves Mondi's employment during the holding period. This results in a minimum period of five years between grant of LTIP and the sale of the shares (other than to settle tax); and
- iii. the introduction of an increased shareholding requirement for the executive directors to 200% of base salary.

Resolution 14 – Special resolution number 1 – directors' fees

Regulation in South Africa requires that shareholders approve, by special resolution, the fees paid to directors for their services as directors. Resolution 14 is seeking approval to increase these fees for the non-executive directors by a maximum of 2% with effect from the date of this meeting.

The current and proposed level of fees for the non-executive directors are set out in the table below and explained more fully in the Mondi Group Integrated report and financial statements 2016 on page 116.

Supplement per meeting in home country (per day)	£1,695	£1,730

¹ No supplement is payable for additional commitments in relation to this role

Resolutions 15 and 26 – final dividend

Final dividends for the year ended 31 December 2016 for Mondi Limited and Mondi plc of 522.70920 rand cents per ordinary share and 38.19 euro cents per ordinary share, respectively, are recommended by the directors. Shareholder approval for the declaration of these final dividends is required. If approved, the dividends will be paid on Thursday 18 May 2017 to shareholders on each share register on Friday 21 April 2017.

The directors of Mondi Limited have applied the solvency and liquidity tests contemplated in the South African Companies Act 2008 in terms of which it has been concluded that Mondi Limited will satisfy such tests immediately after completing the proposed distribution.

Resolutions 16, 17, 27 and 28 – reappointment and remuneration of auditors

South African and UK company law requires that, at each general meeting at which accounts are laid, Mondi Limited and Mondi plc appoint auditors who will remain in office until the next general meeting at which accounts are laid. The boards of Mondi Limited and Mondi plc, having accepted the recommendation of the DLC audit committee, propose that PricewaterhouseCoopers Inc and PricewaterhouseCoopers LLP be appointed as Mondi Limited and Mondi plc's auditors, respectively. Resolutions 16 and 27 relate to the appointment and resolutions 17 and 28 will authorise the DLC audit committee to agree the auditors' remuneration.

Resolution 18 – Special resolution number 2 – financial assistance

This resolution is being proposed in order to comply with the requirements of sections 44 and 45 of the South African Companies Act 2008, to the extent that, on an interpretation thereof, the approval of shareholders is required for the directors to authorise any financial assistance by Mondi Limited. Sections 44 and 45 of the Act both provide, *inter alia*, that such financial assistance must be approved by a special resolution of the shareholders, adopted within the previous two years. Following such shareholder approval the directors may not authorise any such financial assistance unless they are satisfied that:

- i. immediately after providing the financial assistance, Mondi Limited would satisfy the solvency and liquidity test contemplated in the South African Companies Act 2008; and
- ii. the terms under which the financial assistance is proposed to be given are fair and reasonable to Mondi Limited.

In the normal course of business Mondi Limited is required to grant financial assistance to subsidiaries and other juristic persons in the Mondi Group, including but not limited to financial assistance in the form of loans, guarantees in favour of third parties, such as financial institutions, service providers and counterparties (in respect of the provision of banking facilities, acquisition transactions, project financing, debt capital and structured financing transactions) for the obligations of such subsidiaries and any persons related to such subsidiaries. This resolution will enable Mondi Limited to provide financial assistance within the Mondi Group which may be required from time to time in the normal course of business.

During the period since the passing of the equivalent resolution at the 2016 Annual General Meeting, the directors approved financial assistance relating to Mondi Shanduka Newsprint Proprietary Limited (ZAR340 million) and Mondi Zimele Proprietary Limited (ZAR54 million).

Resolution 19 – general authority to the directors to issue Mondi Limited ordinary shares

This authority, in accordance with the Listings Requirements of the JSE Limited, grants the directors the authority to allot and issue or grant options to subscribe for, a number of shares equal to 5% of the issued ordinary shares of Mondi Limited.

Explanation of resolutions

Resolution 20 – general authority to the directors to issue Mondi Limited special converting shares

This authority, in accordance with the Listings Requirements of the JSE Limited, grants the directors the authority to allot and issue or grant options to subscribe for, a number of shares equal to 5% of the issued special converting shares of Mondi Limited.

The special converting shares are very specific to the Mondi dual listed company (DLC) administration and can only be used upon termination of the DLC arrangements.

The special converting shares are shares issued by Mondi Limited that are held by a South African trust and which convert into ordinary shares only in the event of and upon termination of the DLC structure so as to ensure economic equalisation for shareholders. Mondi plc also has a number of special converting shares in issue to a UK trust. The two companies are required under the DLC agreements to ensure that the correct number of special converting shares is always in issue. Therefore, should the authority under resolution 29 (relating to the number of Mondi plc ordinary shares in issue) be used, an equivalent authority is required in respect of the special converting shares of Mondi Limited in order to maintain the protection for shareholders. Equalisation on termination is achieved by ensuring that the shareholders of each company receive such shares in the other company as will ensure that they have the same proportionate holding in each of the companies as they previously had in the combined group. Prior to termination of the DLC structure the special converting shares have limited rights.

Resolution 21 – authority to allot Mondi Limited shares for cash

Resolution 21 provides authority to the directors to allot shares for cash other than by way of rights issue in respect of Mondi Limited up to the limit specified in the resolution. In such circumstances, the directors confirm that, as and when they exercise such authority, they intend to follow emerging best practice as regards its use as recommended by the Investment Association.

The directors also confirm that the exercise of any such authority would be subject to the following specific limitations as required by the Listings Requirements of the JSE Limited:

- i. this authority shall not extend beyond the next Annual General Meeting of Mondi Limited to be held in 2018;
- ii. the equity securities which are the subject of the issue for cash shall be of a class already in issue, or where this is not the case, shall be limited to such securities or rights that are convertible into a class already in issue;
- iii. a paid press announcement giving full details, as prescribed by the Listings Requirements of the JSE Limited, will be published at the time of an issue representing, on a cumulative basis within one financial year, 5% or more of the number of ordinary shares in issue prior to such issue;
- iv. the issue in the aggregate in any one financial year will not exceed 15% of Mondi Limited's listed equity securities as at the date of the Notice of Annual General Meeting (although it should be noted that the resolution limits the directors to a maximum of 5% of the ordinary shares in issue);
- v. in determining the price at which an allotment and issue of ordinary shares may be made in terms of this authority, the maximum discount permitted will be 10% of the weighted average traded price of the ordinary shares in question as determined over the 30 business days prior to the date the price of the issue is determined or agreed between Mondi Limited and the party subscribing for the securities; and
- vi. the equity securities/shares must be issued to public shareholders and not to related parties.

In terms of the Listings Requirements of the JSE Limited, the approval of 75% of the total votes cast in favour of this resolution by all equity securities holders present or represented by proxy at the Annual General Meeting is required to approve this resolution.

Resolution 22 – Special resolution number 3 – Mondi Limited purchase of own shares

The reason and effect of resolution 22 is to grant a renewable general authority to Mondi Limited, or a subsidiary of Mondi Limited, to acquire ordinary shares in Mondi Limited which are in issue from time to time in terms of the following Listings Requirements of the JSE Limited (JSE) (as presently constituted and as amended from time to time):

- i. any such acquisition of ordinary shares be effected through the order book operated by the JSE trading system and done without any prior understanding or arrangement between Mondi Limited and the counterparty;
- ii. authorisation thereto is given by Mondi Limited's Memorandum of Incorporation;
- iii. this general authority shall be valid until Mondi Limited's next Annual General Meeting or 15 months from the date of passing this special resolution, whichever is earlier;
- iv. an announcement will be published as soon as Mondi Limited or any of its subsidiaries has acquired ordinary shares constituting, on a cumulative basis, 3% of the number of ordinary shares in issue prior to the acquisition pursuant to which the aforesaid 3% threshold is reached, and for each 3% in aggregate acquired thereafter, containing full details of such acquisitions;
- v. acquisitions of ordinary shares in aggregate in any one financial year may not exceed 20% of Mondi Limited's issued ordinary share capital of that class as at the date of passing of this resolution (although it should be noted that the directors will limit any purchase to a maximum of 5% of the issued ordinary share capital);

- viii. at any point in time, Mondi Limited or any of its subsidiaries may only appoint one agent to effect any repurchase on Mondi Limited's behalf;
- ix. Mondi Limited or any of its subsidiaries may not repurchase any shares during a prohibited period as defined by the Listings Requirements of the JSE, unless they have in place a repurchase programme where the dates and quantities of securities to be traded during the relevant period are fixed (not subject to any variation) and has been submitted to the JSE in writing. Mondi Limited must instruct an independent third party, which makes its investment decisions in relation to its securities independently of and uninfluenced by Mondi, prior to the commencement of the prohibited period to execute the repurchase programme submitted to the JSE; and
- x. the directors have passed a resolution authorising the repurchase, confirming that Mondi Limited, and its subsidiaries, have passed the solvency and liquidity test contemplated in the South African Companies Act 2008 and that from the time the test was done there were no material changes to the financial position of the Group.

The directors of Mondi Limited have no present intention of making any repurchases but believe that Mondi Limited should retain the flexibility to take action if future repurchases were considered desirable and in the best interests of shareholders. The directors of Mondi Limited are of the opinion that, after considering the effect of such acquisition of ordinary shares, if implemented and on the assumption that Mondi Limited acquires the maximum of 5% of the current issued ordinary share capital of Mondi Limited at the last practical date prior to the date of the Notice of Annual General Meeting of Mondi Limited convened for 11 May 2017 or during a period of 12 months after the date of the Notice of Annual General Meeting of Mondi Limited:

→Mondi Limited and its subsidiaries will be able, in the ordinary course of business, to pay its debts;

→the consolidated assets of Mondi Limited and its subsidiaries, fairly valued in accordance with Generally Accepted Accounting Practice, will be in excess of the consolidated liabilities of Mondi Limited and its subsidiaries;

→Mondi Limited and its subsidiaries will have adequate capital and reserves for ordinary business purposes; and

→the working capital of Mondi Limited and its subsidiaries will be adequate for ordinary business purposes. Mondi Limited will ensure that its sponsor will provide the necessary letter on the adequacy of the working capital in terms of the Listings Requirements of the JSE, prior to the commencement of any purchase of Mondi Limited's shares on the open market.

Explanation of resolutions

Directors' responsibility statement

The directors, whose names appear on pages 78 and 79 of the Mondi Group Integrated report and financial statements 2016, collectively and individually accept full responsibility for the accuracy of the information pertaining to this special resolution and certify that, to the best of their knowledge and belief, there are no facts that have been omitted which would make any statement false or misleading and that all reasonable enquiries to ascertain such facts have been made and that the special resolution contains all information required by law and the Listings Requirements of the JSE.

Material changes

Other than the facts and developments reported on in the Mondi Limited 2016 statutory accounts, there have been no material changes in the affairs or financial position of Mondi Limited and its subsidiaries since the date of signature of the audit report and up to the date of this Notice.

The following additional information, some of which may appear elsewhere in the Mondi Group Integrated report and financial statements 2016, is provided in terms of the Listings Requirements of the JSE for purposes of the general authority:

→ major beneficial shareholders – Integrated report and financial statements pages 130 and 131; and

→ share capital of Mondi Limited – Integrated report and financial statements page 169.

Resolution 29 – directors' authority to allot Mondi plc shares

The purpose of resolution 29 is to renew the directors of Mondi plc's power to allot shares. The authority will allow the directors of Mondi plc to allot new shares and grant rights to subscribe for, or convert other securities into, shares up to a maximum nominal amount of €4,855,537.60, as set out in the table below and exclusive of treasury shares, which is equivalent to approximately 5% of the issued capital:

	Number of shares	Par value	Relative part of section 551 amount
Ordinary shares	18,362,040	€0.20	€3,672,408.00
Special converting shares	5,915,648	€0.20	€1,183,129.60
Total			€4,855,537.60

This authority covers the issued ordinary share capital of Mondi plc, as would normally be the case for a UK company at its Annual General Meeting, but also the issued special converting shares of Mondi plc. An authority is included for the special converting shares to enable the directors of Mondi plc to issue these as and when required in accordance with the agreements which constitute Mondi's dual listed company structure (this is explained in more detail on page 8).

At 14 March 2017 (being the latest practicable date prior to the publication of this Notice), Mondi plc did not hold any shares in treasury.

There are no present plans to undertake a rights issue or to allot new shares. The directors of Mondi plc consider it desirable to have the flexibility permitted by corporate governance guidelines to respond to market developments and to enable allotments to take place to finance business opportunities as they arise.

Although UK companies would generally seek an authority over 33.3% of issued capital, Mondi plc is aware that the investment community in South Africa prefers to see this authority restricted to no more than 5% of issued capital. In view of the dual listed company structure, Mondi plc has decided to limit the authority to 5%.

If the resolution is passed, the authority will expire at the end of the Annual General Meeting of Mondi plc to be held in 2018 or, if earlier, 30 June 2018.

Resolution 30 – Special resolution number 4 – disapplication of Mondi plc pre-emption rights

If the directors of Mondi plc wish to allot new shares and other equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme), UK company law requires that these shares are offered first to shareholders in proportion to their existing holdings.

The purpose of resolution 30 is to authorise the directors of Mondi plc to allot new shares pursuant to the authority given by resolution 29, or to sell treasury shares, for cash (i) in connection with a Rights Issue (as defined in the Mondi plc Articles of Association) or (ii) otherwise up to a maximum aggregate nominal value of €3,672,408, which is equivalent to 5% of the issued ordinary share capital of Mondi plc as at 14 March 2017 (being the latest practicable date prior to publication of this Notice), in each case without the shares first being offered to existing shareholders in proportion to their existing holdings. The authority will expire at the end of the next Annual General Meeting of Mondi plc to be held in 2018 or, if earlier, 30 June 2018.

The directors confirm that, as and when they exercise such authorities, they intend to follow emerging best practice as regards its use as recommended in the Investment Association guidelines.

In accordance with the provisions of the Pre-emption Group's Statement of Principles, the directors do not intend to issue more than 7.5% of the total issued ordinary share capital of Mondi plc for cash on a non pre-emptive basis (other than pursuant to a rights issue or pre-emptive offer) in any rolling three-year period without prior consultation with shareholders and the investment committees of the Investment Association and the Pensions and Lifetime Savings Association.

The directors also confirm that pursuant to the dual listed company structure, the exercise of any such authority would be subject to the following specific limitations as required by the Listings Requirements of the JSE Limited:

- i. this authority shall not extend beyond the next Annual General Meeting of Mondi plc to be held in 2018;
- ii. the equity securities which are the subject of the issue for cash shall be of a class already in issue or, where this is not the case, shall be limited to such securities or rights that are convertible into a class already in issue;
- iii. a paid press announcement giving full details, as prescribed by the Listings Requirements of the JSE Limited, will be published at the time of an issue representing, on a cumulative basis within one financial year, 5% or more of the number of ordinary shares in issue prior to such issue;
- iv. the issue in the aggregate in any one financial year will not exceed 15% of Mondi plc's listed equity securities as at the date of the Notice of Annual General Meeting (although it should be noted that the resolution limits the directors to a maximum of 5% of the ordinary shares in issue);
- v. in determining the price at which an allotment and issue of ordinary shares may be made in terms of this authority, the maximum discount permitted will be 10% of the weighted average traded price of the ordinary shares in question as determined over the 30 business days prior to the date that the price of the issue is determined or agreed between Mondi plc and the party subscribing for the securities; and
- vi. the equity securities/shares must be issued to public shareholders and not to related parties.

The directors of Mondi plc consider the authority in resolution 30 to be appropriate in order to allow Mondi plc flexibility to finance business opportunities without the need to comply with the strict requirements of the statutory pre-emption provisions.

Although UK companies are permitted to seek an authority over 10% of issued capital, subject to certain conditions, Mondi plc is aware that the investment community in South Africa prefers to see this authority restricted to no more than 5% of issued capital. In view of the dual listed company structure, Mondi plc has decided to limit the authority to 5%.

Explanation of resolutions

Resolution 31 – Special resolution number 5 – Mondi plc purchase of own shares

The directors of Mondi plc consider it may, in certain circumstances, be in the best interests of shareholders generally for Mondi plc to purchase its own ordinary shares. Accordingly, the effect of this resolution is to renew the general authority, subject to specified limits, granted to Mondi plc to purchase its own ordinary shares, until the Annual General Meeting in 2018 or, if earlier, 30 June 2018. You are asked to consent to the purchase by Mondi plc of up to a maximum of 18,362,040 ordinary shares of €0.20 each. This represents 5% of the ordinary shares in issue as at 14 March 2017 and Mondi plc's exercise of this authority is subject to the stated upper and lower limits on the price payable.

As of 14 March 2017 (the latest practicable date prior to publication of this Notice), there were options outstanding over 1,915,730 ordinary shares, representing 0.52% of Mondi plc's issued ordinary share capital at that date. If the authority to buy back shares was exercised in full, the total number of options to subscribe for ordinary shares would represent 0.55% of Mondi plc's reduced issued ordinary share capital.

The directors of Mondi plc have no present intention of making any purchases of its own ordinary shares, but believe that Mondi plc should retain the flexibility to take further action if future purchases were considered desirable and in the best interests of shareholders. Pursuant to the UK Companies Act 2006, Mondi plc can hold the shares which have been repurchased itself as treasury shares and either resell them for cash, cancel them, either immediately or at a point in the future, or use them for the purposes of its employee share schemes. The directors of Mondi plc believe that it is desirable for Mondi plc to have this choice and therefore intend to hold any shares purchased under this authority as treasury shares. Holding the repurchased shares as treasury shares will give Mondi plc the ability to resell them or transfer them in the future, and so provide Mondi plc with additional flexibility in the management of its capital base. No dividends will be paid on, and no voting rights will be exercised in respect of, treasury shares.

Proxy appointment

2. Shareholders are entitled to appoint a proxy to exercise all or any of their rights to attend, to speak and to vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of either Mondi Limited or Mondi plc but must attend the meeting to represent you. A proxy form which may be used to make such appointment and give proxy instructions accompanies this Notice.
3. To be valid any proxy form or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at Link Market Services South Africa Proprietary Limited, Rennie House, 13th Floor, 19 Ameshoff Street, Braamfontein 2001, Republic of South Africa or PO Box 4844, Johannesburg 2000, Republic of South Africa in each case so as to be received no later than 11:30 (SA time) on Tuesday 9 May 2017.

Such shareholders must not complete a proxy form.
5. The return of a completed proxy form will not prevent a shareholder attending the Annual General Meeting and voting in person if he/she wishes to do so.

7. Shareholders who have dematerialised their ordinary shares through Strate, other than those whose shareholding is recorded in their 'own name' in the sub-register maintained by their CSDP, and who wish to attend the meeting in person, will need to request their CSDP or broker to provide them with the authority to do so in terms of the custody agreement entered into between the dematerialised shareholder and their CSDP or broker.

Access to the means of electronic participation will be at the expense of the shareholder.
