Explanation of resolutions

Resolutions 1 to 9 – election of directors

As the Annual General Meetings of Mondi Limited and Mondi plc being held on 7 May 2008 are the first following the demerger of the Mondi Group from Anglo American plc, all the directors are standing for election by the shareholders of each company.

Full biographical details of each director are set out in the 2007 Mondi Group Annual Report on pages 28 to 30.

The DLC nominations committee reviewed and recommended to the boards of Mondi Limited and Mondi plc the election of each of the directors. All the non-executive directors are considered independent except that Cyril Ramaphosa, joint chairman, was not considered independent upon appointment. The board evaluation undertaken at the end of 2007 confirmed that all directors continue to make an effective and valuable contribution to the Boards and demonstrate commitment to their respective roles at Mondi.

Resolutions 10 and 20 – 2007 annual report

The directors of Mondi Limited and Mondi plc are required by company law to present the accounts, the directors' report and the auditors' report of the respective company to the meeting.

Resolutions 11 and 21 – directors' remuneration

Regulation in South Africa and the UK requires that the directors present a report on their remuneration during the period under review for approval by shareholders. The report for the year ended 31 December 2007 is set out on pages 46 to 50 of the 2007 Mondi Group Annual Report.

Resolutions 12 and 22 – final dividend

Shareholder consent is required for Mondi Limited and Mondi plc to pay final dividends of 177.37939 rand cents per ordinary share and 15.7 euro cents per ordinary share, respectively. If approved, the dividends will be paid on 21 May 2008 to shareholders on each register on 25 April 2008.

Resolutions 13, 14, 23 and 24 – reappointment and remuneration of auditors

South African and UK company law requires that, at each general meeting at which accounts are laid, Mondi Limited and Mondi plc appoint auditors who will remain in office until the next general meeting at which accounts are laid. The boards of Mondi Limited and Mondi plc, having accepted the recommendation of the DLC audit committee, propose that Deloitte & Touche and Deloitte & Touche LLP be reappointed as Mondi Limited and Mondi plc's auditors, respectively. Resolutions 13 and 23 relate to the reappointment and resolutions 14 and 24 will authorise the directors of Mondi Limited and Mondi plc, respectively, to agree the auditors' remuneration.

Resolution 15 – placing unissued ordinary shares under the control of the directors

This authority would, in accordance with South African company law and the Listings Requirements of the JSE Limited, place 5% of the unissued ordinary shares of Mondi Limited under the control of the directors.

Resolution 16 – placing remaining unissued shares under the control of the directors

This authority would, in accordance with South African company law and the Listings Requirements of the JSE Limited, place 5% of the unissued shares (excluding ordinary shares) of Mondi Limited under the control of the directors.

Resolution 17 – to allot shares for cash

If resolution 17 and resolution 26 are both passed, the directors will have authority to allot shares for cash other than by way of rights issue in respect of both Mondi Limited and Mondi plc up to the limits specified in those respective resolutions. In such circumstances, the directors confirm that, as and when they exercise such authorities, they intend to comply with the relevant guidelines of the Association of British Insurers.

In terms of the Listings Requirements of the JSE Limited, the approval of 75% of the votes cast in favour of this resolution by all equity securities holders present or represented by proxy at the Annual General Meeting is required to approve this resolution.

Resolution 18 – Special Resolution 1 – to purchase own shares

The reason and effect of resolution 18 is to grant a renewable general authority to Mondi Limited or a subsidiary of Mondi Limited to acquire ordinary shares in itself which are in issue from time to time in terms of the South African Companies Act, No.61 of 1973, as amended, and the Listings Requirements of the JSE Limited.

The directors of Mondi Limited have no present intention of making any repurchases but believe that Mondi Limited should retain the flexibility to take action if future purchases were considered desirable and in the best interests of shareholders. The directors of Mondi Limited are of the opinion that, after considering the effect of such acquisition of ordinary shares, if implemented and on the assumption that Mondi Limited acquires the maximum of 10% of the current issued ordinary share capital of Mondi Limited at the last practical date prior to the date of the Notice of Annual General Meeting of Mondi Limited convened for 7 May 2008 or during a period of 12 months after the date of the Notice of Annual General Meeting of Mondi Limited:

- Mondi Limited and its subsidiaries will be able, in the ordinary course of business, to pay its debts;
- the consolidated assets of Mondi Limited and its subsidiaries, fairly valued in accordance with Generally Accepted Accounting Practice, will be in excess of the consolidated liabilities of Mondi Limited and its subsidiaries;
- Mondi Limited and its subsidiaries will have adequate capital and reserves for ordinary business purposes; and
- the working capital of Mondi Limited and its subsidiaries will be adequate for ordinary business purposes.

Mondi Limited will ensure that its sponsor will provide the necessary letter on the adequacy of the working capital in terms of the Listings Requirements of the JSE Limited, prior to the commencement of any purchase of Mondi Limited's shares on the open market.

Litigation Statement

In terms of section 11.26 of the Listings Requirements of the JSE Limited, the directors, whose names appear on pages 28 to 30 of the 2007 Mondi Group Annual Report, are not aware of any legal or arbitration proceedings that are pending or threatened, that may have or have had in the recent past, being at least the previous 12 months, a material effect on Mondi Limited and its subsidiaries' financial position.

Directors' responsibility statement

The directors, whose names appear on pages 28 to 30 of the 2007 Mondi Group Annual Report, collectively and individually accept full responsibility for the accuracy of the information pertaining to this special resolution and certify that, to the best of their knowledge and belief, there are no facts that have been omitted which would make any statement false or misleading and that all reasonable enquiries to ascertain such facts have been made and that the special resolution contains all such information.

Material changes

Other than the facts and developments reported on in the Mondi Limited 2007 statutory accounts, there have been no material changes in the affairs or financial position of Mondi Limited and its subsidiaries since the date of signature of the audit report and up to the date of this Notice.

The following additional information, some of which may appear elsewhere in the 2007 Mondi Group Annual Report, is provided in terms of the Listings Requirements of the JSE Limited for purposes of the general authority:

- directors and management – annual report pages 28 to 31;
- major beneficial shareholders – annual report page 38;
- directors' interests in ordinary shares – annual report page 49; and
- share capital of Mondi Limited – annual report page 95.

Resolution 19 and 28 – Special Resolutions 2 and 5 – amendment to articles

The Articles of Association of Mondi Limited and Mondi plc are broadly identical, the differences being due to variances in applicable law in South Africa and the UK. In the UK, the Companies Act 2006 (the Act) is being introduced in phases and the proposed changes to the Mondi plc Articles of Association reflect those provisions currently in force and those due to come in to effect prior to the next Annual General Meeting. The proposed changes to the Mondi Limited Articles of Association reflect, where permissible under South African law, the same changes to ensure that the Articles of Association of both Mondi Limited and Mondi plc remain broadly identical thus simplifying the administration between the two companies of the requirements under the dual listed structure.

i. Articles which duplicate statutory provisions

Provisions in the current Articles which replicate provisions contained in the Act are in the main amended to bring them into line with the Act. Certain examples of such provisions include provisions as to the form of resolutions, the variation of class rights, the requirement to keep accounting records and provisions regarding the period of notice required to convene general meetings. The main changes made to reflect this approach are detailed below.

ii. Form of resolution

The current Articles contain a provision that, where for any purpose an ordinary resolution is required, a special or extraordinary resolution is also effective and that, where an extraordinary resolution is required, a special resolution is also effective. This provision is being amended as the concept of extraordinary resolutions has not been retained under the Act.

The current Articles enable members to act by written resolution. Under the Act public companies can no longer pass written resolutions. These provisions have therefore been removed in the new Articles.

iii. Convening extraordinary and annual general meetings

The provisions in the current Articles dealing with the convening of general meetings and the length of notice required to convene general meetings are being amended to conform to new provisions in the Act. In particular an extraordinary general meeting to consider a special resolution can be convened on 14 days' notice whereas previously 21 days' notice was required. In accordance with South African company law, the Mondi Limited Articles will retain the requirement for 21 days notice where a special resolution is proposed.

iv. Votes of members

Under the Act proxies are entitled to vote on a show of hands whereas under the current Articles proxies are only entitled to vote on a poll. The time limits for the appointment or termination of a proxy appointment have been altered by the Act so that the Articles cannot provide that they should be received more than 48 hours before the meeting or, in the case of a poll taken more than 48 hours after the meeting, more than 24 hours before the time for the taking of a poll, with weekends and bank holidays being permitted to be excluded for this purpose. Multiple proxies may be appointed provided that each proxy is appointed to exercise the rights attached to a different share held by the shareholder. The new Articles reflect all of these new provisions.

v. Conflicts of interest

The Act sets out directors' general duties which largely codify the existing law but with some changes. Under the Act, from 1 October 2008 a director must avoid a situation where he has, or can have, a direct or indirect interest that conflicts, or possibly may conflict with the company's interests. The requirement is very broad and could apply, for example, if a director becomes a director of another company or a trustee of another organisation. The Act allows directors of public companies to authorise conflicts and potential conflicts, where appropriate, where the articles of association contain a provision to this effect. The Act also allows the articles of association to contain other provisions for dealing with directors' conflicts of interest to avoid a breach of duty. The new Articles give the directors authority to approve such situations and to include other provisions to allow conflicts of interest to be dealt with in a similar way to the current position.

There are safeguards which will apply when directors decide whether to authorise a conflict or potential conflict. First, only directors who have no interest in the matter being considered will be able to take the relevant decision, and secondly, in taking the decision the directors must act in a way they consider, in good faith, will be most likely to promote the company's success. The directors will be able to impose limits or conditions when giving authorisation if they think this is appropriate.

It is also proposed that the new Articles should contain provisions relating to confidential information, attendance at board meetings and availability of board papers, to protect a director from being in breach of duty if a conflict of interest or potential conflict of interest arises. These provisions will only apply where the position giving rise to the potential conflict has previously been authorised by the directors. It is the Board's intention to report annually on the procedures for ensuring that the Board's powers to authorise conflicts are operated effectively.

vi. Directors' indemnities and loans to fund expenditure

The Act has in some areas widened the scope of the powers of a company to indemnify directors and to fund expenditure incurred in connection with certain actions against directors. In particular, a company that is a trustee of an occupational pension scheme can now indemnify a director against liability incurred in connection with the company's activities as trustee of the scheme. In addition, the existing exemption allowing a company to provide money for the purpose of funding a director's defence in court proceedings now expressly covers regulatory proceedings and applies to associated companies.

Resolution 25 – directors’ authority to allot shares

This resolution will authorise the directors of Mondi plc to allot Mondi plc’s unissued shares up to a maximum nominal amount of €5,141,371.20, as set out in the table below:

	Number of Shares	Par Value	Relative part of section 80 amount
Ordinary shares	18,362,040	€0.20	€3,672,408.00
Special converting shares	7,344,816	€0.20	€1,468,963.20
Total			€5,141,371.20

The authority covers the issued ordinary share capital of Mondi plc, as would normally be the case for a UK company at its Annual General Meeting, but also the issued special converting shares of Mondi plc. An authority is included for the special converting shares to enable the directors of Mondi plc to issue these as and when required in accordance with the agreements which constitute Mondi’s dual listed company structure.

Although UK companies would generally seek an authority over 33.3% of issued capital, Mondi plc is aware that the investment community in South Africa prefers to see this authority restricted to no more than 5% of issued capital. In view of the dual listed company structure, Mondi plc has decided to limit the authority to 5%.

Resolution 26 – Special Resolution 3 – disapplication of pre-emption rights

The effect of this resolution is to allow the directors of Mondi plc to allot equity securities for cash and to dispose of treasury shares other than to existing shareholders in proportion to existing holdings. Any allotment under this authority may be up to a maximum aggregate nominal value of €3,672,408 which is equivalent to 5% of the issued ordinary share capital of Mondi plc as at 11 March 2008 (being the latest practicable date prior to publication of this Notice). The authority will expire at the end of the Annual General Meeting of Mondi plc to be held in 2009.

If this resolution 26 and resolution 17 are both passed, the directors will have authority to allot shares for cash other than by way of rights issue in respect of both Mondi plc and Mondi Limited up to the limits specified in those respective resolutions. In such circumstances, the directors confirm that, as and when they exercise such authorities, they intend to comply with the relevant guidelines of the Association of British Insurers.

The directors also confirm that, pursuant to the dual listed company structure, the exercise of any such authority would be subject to the following specific limitations as required by the Listings Requirements of the JSE Limited:

- i. this authority shall not extend beyond the date of the next Annual General Meeting of Mondi plc;
- ii. a paid press announcement giving full details, including the impact on net asset value and earnings per ordinary share, will be published at the time of an issue representing, on a cumulative basis within one financial year, 5% or more of the number of ordinary shares in issue prior to such issue;
- iii. the issue in the aggregate in any one financial year will not exceed 15% of the number of ordinary shares in issue;

iv. in determining the price at which an allotment and issue of ordinary shares may be made in terms of this authority, the maximum discount permitted will be 10% of the weighted average traded price of the ordinary shares in question as determined over the 30 days prior to the date that the price of the issue is determined or agreed by the directors of Mondi plc; and

v. the equity securities/shares must be issued to public shareholders and not to related parties.

Resolution 27 – Special Resolution 4 – purchase of own shares

The directors of Mondi plc consider it may, in certain circumstances, be in the best interests of shareholders generally for Mondi plc to purchase its own ordinary shares. Accordingly, this resolution will grant a general authority, subject to specified limits, to Mondi plc to acquire ordinary shares of Mondi plc. You are asked to consent to the purchase by Mondi plc of up to a maximum of 18,362,040 ordinary shares of €0.20 each.

As of 11 March 2008 (the latest practicable date prior to publication of this Notice), there were options outstanding over 5,476,609 ordinary shares, representing 1.5% of Mondi plc’s issued ordinary share capital at that date. If the authority to buy back shares was exercised in full, the total number of options to subscribe for ordinary shares would represent 1.6% of Mondi plc’s reduced issued ordinary share capital.

The UK Companies (Acquisition of own Shares)(Treasury Shares) Regulations 2003 (the Regulations) permit Mondi plc to purchase its own ordinary shares to be held in treasury, with a view to possible resale at a future date as opposed to cancelling these shares as previously required.

The directors of Mondi plc have no present intention of making any purchases, but believe that Mondi plc should retain the flexibility to take further action if future purchases were considered desirable and in the best interests of shareholders. If Mondi plc were to purchase shares under the Regulations they will be cancelled or, to the extent determined by the directors of Mondi plc, held in treasury, provided that the number of shares held in treasury at any one time does not exceed 10% of Mondi plc’s issued ordinary share capital. The authority will be exercised only if the directors of Mondi plc believe that to do so would result in an increase of earnings per ordinary share and would be in the interests of shareholders generally or, in the case of the creation of treasury shares, that to do so would be in the best interests of shareholders generally.

Notes to the Notice of Annual General Meeting

Joint Electorate Actions

1. All of the resolutions are Joint Electorate Actions under the Articles of Association of Mondi plc and, accordingly, both the holders of ordinary shares in Mondi plc and the holder of the special voting share in Mondi plc are entitled to vote. Voting will be on a poll which will remain open for sufficient time to allow the Mondi Limited Annual General Meeting to be held and for the votes of the holder of the Mondi plc special voting share to be ascertained on a poll.

On the poll:

- i. each fully paid ordinary share in Mondi plc (other than those subject to voting restrictions) will have one vote;
- ii. the holder of the Mondi plc special voting share will cast the same number of votes as were validly cast for and against the equivalent resolution by Mondi Limited shareholders on the poll at the Mondi Limited Annual General Meeting;
- iii. the holder of the Mondi plc special voting share will be obliged to cast these votes for and against the relevant resolution in accordance with the votes cast for and against the equivalent resolution by Mondi Limited shareholders on the poll at the Mondi Limited Annual General Meeting;
- iv. through this mechanism, the votes of the Mondi Limited shareholders at the Mondi Limited Annual General Meeting will be reflected at Mondi plc's Annual General Meeting in respect of each Joint Electorate Action; and
- v. the results of the Joint Electorate Actions will be announced after both polls have closed.

Proxy appointment

2. Members are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of Mondi plc. A proxy form which may be used to make such appointment and give proxy instructions accompanies this Notice.
3. To be valid any proxy form or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DW, United Kingdom no later than 11:00 (UK time) on Monday 5 May 2008.
4. Shareholders who prefer to register the appointment of their proxy via the Internet can do so through the Equiniti website at www.sharevote.co.uk where full instructions are given. The personal reference, card ID and account number printed on the proxy form will be required to use this electronic proxy appointment system. Alternatively, shareholders who have registered with Equiniti's online portfolio service, Shareview, can appoint their proxy electronically by logging on to their portfolio at www.shareview.co.uk and clicking on 'Company Meetings'. A proxy appointment made electronically will not be valid if sent to any electronic address other than those provided or if received after 11:00 (UK time) on Monday 5 May 2008. Please note that any electronic communication found to contain a computer virus will not be accepted.

5. The return of a completed proxy form, other such instrument or any CREST Proxy Instruction (as described in paragraph 11 below) will not prevent a shareholder attending the Annual General Meeting and voting in person if he/she wishes to do so.

Nominated persons

6. Any person to whom this notice is sent who is a person nominated under section 146 of the UK Companies Act 2006 to enjoy information rights (a Nominated Person) may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
7. The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 2 to 5 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of Mondi plc.

Entitlement to attend and vote

8. To be entitled to attend and vote at the Annual General Meeting (and for the purpose of the determination by Mondi plc of the votes they may cast), shareholders must be registered in the register of members of Mondi plc at 18:00 (UK time) on Monday 5 May 2008 (or, in the event of any adjournment, at 18:00 (UK time) on the date which is two days before the time of the adjourned meeting). Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.

Total voting rights

9. Holders of ordinary shares are entitled to attend and vote at general meetings of Mondi plc. The total number of issued ordinary shares in Mondi plc on 11 March 2008, which is the latest practicable date before the publication of this Notice, is 367,240,805. On a vote by show of hands every member who is present has one vote and every proxy present who has been duly appointed by a member entitled to vote has one vote. On a poll vote every member who is present in person or by proxy has one vote for every ordinary share of which he is the holder. The total number of votes attaching to the special voting share of Mondi plc issued to Mondi SCS (UK) Limited, to reflect the votes of Mondi Limited shareholders on Joint Electorate Actions, pursuant to the DLC structure is 146,896,322. Therefore the aggregate number of votes on any Joint Electorate Action is 514,137,127.

Appointment of proxies through CREST

10. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

11. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with CRESTCo's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 7RA01) by 11:00 (UK time) on Monday 5 May 2008. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
12. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that CRESTCo does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
13. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Corporate representatives

14. In order to facilitate voting by corporate representatives at the meeting, arrangements will be put in place at the meeting so that (i) if a corporate shareholder has appointed the chairman of the meeting as its corporate representative with instructions to vote on a poll in accordance with the directions of all of the other corporate representatives for that shareholder at the meeting, then on a poll those corporate representatives will give voting directions to the chairman and the chairman will vote (or withhold a vote) as corporate representative in accordance with those directions; and (ii) if more than one corporate representative for the same corporate shareholder attends the meeting but the corporate shareholder has not appointed the chairman of the meeting as its corporate representative, a designated corporate representative will be nominated, from those corporate representatives who attend, who will vote on a poll and the other corporate representatives will give voting directions to that designated corporate representative. Corporate shareholders are referred to the guidance issued by the Institute of Chartered Secretaries and Administrators on proxies and corporate representatives (www.icsa.org.uk) for further details of this procedure. The guidance includes a sample form of representation letter if the chairman is being appointed as described in (i) above.

Auditors

15. Shareholders should note that it is possible that, pursuant to requests made by shareholders of Mondi plc under section 527 of the UK Companies Act 2006 (the Act), Mondi plc may be required to publish on a website a statement setting out any matter relating to: (i) the audit of Mondi's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Annual General Meeting for the financial year beginning 1 January 2009; or (ii) any circumstance connected with an auditor of Mondi plc appointed for the financial year commencing 1 January 2009 ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Act. Mondi plc may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where Mondi is required to place a statement on a website under section 527 of the Act, it must forward the statement to its auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting for the relevant financial year includes any statement that Mondi plc has been required under section 527 of the Act to publish on a website.
