

myMondi

myMondi

THE DIGITAL TOOL

mymondi.mondigroup.com

DESIGNED
AROUND
YOUR NEEDS

Six main features convenient to use 24/7.

MYMONDI SERVICES 4.0

Stock Radar – Certain products are stored in multiple locations – check availability and post inquiries directly from the system

Account Status – Your financial account statement showing invoices, due dates, available cash discounts and more

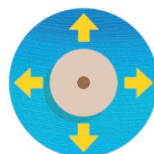

My Stock shows stock levels and days of stock for customer replenishments. You can call off quantities and subscribe to receive stock reports by e-mail (choose frequency, unsubscribe anytime)

Technical Information – Certificates, technical data sheets, direct access to Corrugated Paper Expert

Order Status – Track your orders from confirmation to estimated time of arrival – track & trace is now available for your maritime shipments

Claims – For reviewing claim history and creating new claims directly in our SAP system (no waiting time – technical sales is notified and can start investigation immediately)
