Mondi Group – 2024 Interim Dividend ZAR/euro Exchange Rate

This morning in our half-year results announcement we announced that an interim dividend for the year ending 31 December 2024 of 23.33 euro cents per ordinary share will be paid on Friday 27 September 2024 to all Mondi plc ordinary shareholders on either the UK main register or the South African branch register on Friday 23 August 2024.

Mondi plc will pay its dividend in euro. However, ordinary shareholders resident in the United Kingdom will receive the dividend in sterling (unless shareholders have elected to receive their dividend in euro). The last date for euro currency elections will be Monday 09 September 2024. The exchange rate will be set on Friday 13 September 2024.

Shareholders holding their shares on the South African branch register will receive the dividend in South African rand cents, converted at a rate of EUR 1 to ZAR 19.69500. Therefore, the equivalent gross interim dividend in rand cents per ordinary share will be 459.48435.

For shareholders holding their shares on the South African branch register, the dividend will, for South African dividends tax purposes, be taxed like local dividends. As such, for South African tax resident shareholders holding their shares on the South African branch register, dividends withholding tax will be withheld from the dividends payable to these shareholders at a rate of 20%, unless a shareholder qualifies for an exemption, resulting in a net dividend of 367.58748 rand cents per ordinary share. Shareholders holding their shares on the South African branch register who are not tax resident in South Africa are exempted from South African dividends withholdings tax.

For the purposes of South Africa dividends tax reporting, the source of income for the payment of the dividend is the United Kingdom.

Additional Information

The interim dividend will be paid from income reserves.

Mondi plc had a total of 441,412,530 ordinary shares in issue of which 174,122,985 were held on the branch register, excluding treasury shares, at the dividend declaration date of 01 August 2024.
